REASONS FOR ALLOWANCE

Drawings

1. The drawings were received on March 3, 2006. These drawings are acceptable.
2. The following is an examiner's statement of reasons for allowance: The prior art when taken separately or combined fails to teach and/or show a lighting or signaling device as set forth in Claim 1 having an elongated light guide with a roughly circular shape having a front and a rear peripheral lighting portion which makes up a rear light diffusion segment, a light source that emits light through one end of the light guide and the light is then channeled down the light guide towards the rear light diffusion segment and diffused outside of the light guide towards a rear reflector which is oriented opposite the rear light diffusion segment and refracts the light through the front peripheral lighting portion of the light guide.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
